

Quantum Leaps Fact Sheet

- Quantum Leaps, a radio talk show hosted by Beth Wilson, went to #1 in only 10 weeks on VoiceAmerica's Women's channel and is one of the top rated shows on VoiceAmerica (all channels).
- VoiceAmerica is the leading live internet talk radio broadcaster online since 1999 with a growing listenership of more than 5 million. All Internet radio shows on the network are available on-demand 24/7 through archived shows.
- Internet radio listeners are estimated at 19 million Americans and growing exponentially.
- In addition to its growing American audience, swiftly approaching 10,000, Quantum Leaps has listeners in Singapore, France, Germany, Switzerland, Italy, Luxemburg, Norway, Sweden, Denmark, East Germany, Russia, Ukraine, Argentina, Ecuador, Austria, Brazil, Australia, Japan, South Africa and French-speaking Africa.
- Quantum Leaps is different from other radio talk shows because Beth responds to callers' many questions on-topic and off so they can experience, first-hand, the magic of her work, resulting in a show that's intriguing, intelligent, profound, provocative and sometimes irreverent but never boring! The focus is on accelerated personal growth and creative life change for women.
- Beth's multidimensional approach is a catalyst for meaningful change as she zeros in on the guidance needed to move women forward. This interactive process provides new ways of thinking and results in a vast sharing of information, guidance and knowledge offered both by in-studio or call-in guests and by Beth.
